

1895 Club

The 1895 Club was formed by participating Golf Clubs as a celebration of their centenary in 1995. As Bush Hill Park is part of the 1895 Club, our members are able to play at many other courses worldwide free of charge. If you wish to make use of this please make arrangements directly with the secretary of the host club by contacting them in advance (do not turn up unannounced!) You must request a letter of introduction and a handicap certificate from the pro-shop and take these with you. As you are a representative of Bush Hill Park please make sure you check and respect the dress code of the host club. Participating clubs are as follows:-
