The Role of the Company Board

The Company of Bush Hill Park Golf Club owns the land and the buildings on that land, and it is able to protect all of the assets on behalf of the members. The Club's Management Committee is responsible for the costs and the day-to-day running of the Club. They do this in accordance with the lease granted by the Company on an annual basis at a nominal rent.

The Company has no share capital, as membership is Limited by Guarantee. Therefore, no shares are issued to its members. There must be no fewer than four and no more than six members of the Board, one third of whom must retire in rotation every year.

In the majority of cases those elected are, or have been, professionally engaged in positions which relate to their individual responsibilities. All are Playing Members.
